

The St. Paul's Spirit

Pottstown, Pennsylvania

September 2018

From The Pastor

*Our help is in the name of the Lord, who made heaven and earth.
Psalm 124:8*

Dear members,

Possibilities.

Imagine the possibilities that are in place for the monarch butterfly in the above photo. I found her fluttering around earlier this summer when I was in Mount Gretna (Lebanon County). The possibilities are numerous for us as well; both in our personal lives and in the life of the congregation. Please read the articles in this month's newsletter and consider the ways in which your gifts and talents could be used in our life together.

Possibilities.

Please continue to pray for the members and your leaders (Consistory) of St. Paul's UCC. Pray that we might continue to open our doors to those who need to hear words about hope and God's love in northeast Pottstown. We have a message to share to the lost, lonely, unchurched and anyone who needs love, grace and hope. If you haven't been to church in a while, please consider coming back to worship at 9:00 a.m. each Sunday. We miss you and need your presence for the possibilities.

Possibilities

Later this month (Sept. 21st), I will be rappelling down 12 floors on the side of the Abraham Lincoln Towers in Reading PA to support Bethany Children's Home. It will be the third time I'm participating in this fun way of raising money for this worthy organization. It also marks the 15th anniversary of my ordination. Imagine the possibilities...

See you in church!

In Christ's service,
Pastor Corrine
